Sub: Ferrying Argus Aircraft from Jodhpur to Bangalore.

Dear Sir,

We have purchased one Argus Aircraft VT-DDE from Messrs Tata Aircraft Ltd., at Jodhpur. This aircraft is in flying condition and has to be ferried from Jodhpur to Bangalore. In this connection we approached Capt. V.Sundaram, Director of Civil Aviation in Mysore, sometime back and he consented to ferry the plane subject to the approval of the Government. We have now received the necessary license and petrol coupons from D.G.C.A., Government of India, New Delhi.

We would be much obliged if you could spare the services of Capt. Sundaram so that he may be able to proceed to Jodhpur at an early date, the necessary expenditure being met by us.

In this connection we would like to mention that the petrol licence granted by the D.G.C.A., New Delhi, expires on the 31st March 1950 and hence the matter may be treated as urgent.

Thanking you,

Yours faithfully,

Sir,

With reference to your letter No. 7171/C.B. dated 3rd August 1950, I write to state that an advance of Rs. 400/- was received from the Indian Institute of Science by Mr. M. Balan towards flight expenses. A sum of Rs. 354-3-0 was actually spent by him during the flight and the relative expense report together with a balance of Rs. 45/13/0 was handed over to the Indian Institute of Science. No bill of cost was, therefore, sent by this office for the collection of the expenses incurred during the flight.

The pay of Mr. M. Balan for the days of the journey was, however, not recovered from the Institute, and if Government desire its recovery, necessary action will be taken by this office.
